

THE THREE ROUNDS OF THE SHOW ARE:

All models have to provide their own outfit/costumes

These photos are just examples to give you some ideas

WOW OUTFIT OF YOUR CHOICE (Your choice of costume/outfit, be bright and colourful & be creative)

BIKINI / SWIMWEAR (2 piece bikini or 1 piece; whatever you prefer to wear, add some accessories too)

COCKTAIL DRESS (A nice elegant short dress, not a long evening gown, add some accessories too)

ON THE NIGHT PROGRAM - HOW THE NIGHT WILL HAPPEN:

There will be approximately 10-15 models on each of the nights competing. The models will walk the runway in 3 different rounds of the show, each with its own theme and outfits. You need to bring your own outfit and display your sense of fashion, creativity & individuality.

FIRST ROUND (Wow Costume of your choice)

- To start the show all models will walk on the runway together (numbered order) then exit the stage.
- Each model will then go to the stage individually and do a short self-introduction; say your name first and tell us something about yourself, such as your hobbies, career and ambitions or whatever you're comfortable with "just be yourself".
- After introducing yourself you will then walk the runway twice, finishing with 10 seconds of poses on the stage, then exit.
- After all the models have done their self-introduction and individual walk, all models will walk on the runway together (numbered order) then line-up on the stage for group photos.
- After the group photos on the stage model number one will lead everyone to the photoshoot area.
- All models will do individual and group shots as well as photos with the audience and guests.
- After the photoshoot make your way to the changing room and change your outfit and prepare for the next round (**approximate 15 minutes**)

SECOND ROUND (Bikini / Swimwear)

- All models will walk on the runway together (numbered order) then exit the stage.
- Each model's name and number will be announced by the MC, that model will then walk the runway individually.
- After all the models have done their individual walk, models will then walk on the runway in two's (numbered order, so 1 and 2 together, 3 and 4 etc.), then exit the stage.
- After the duos / walking in two's; all models will walk on the runway together (numbered order) then line-up on the stage for group photos.
- After the group photos on the stage model number one will lead everyone again to the photoshoot area.
- All models will do individual and group shots as well as photos with the audience and guests.
- After the photoshoot make your way to the changing room and change your outfit and prepare for the next round (**approximate 15 minutes**)

THIRD ROUND (Elegant Short dress / Cocktail dress)

- All models will walk on the runway together (numbered order) then exit the stage.
- Each model's name and number will be announced by the MC, that model will then walk the runway individually.
- After all the models have done their individual walk, all models will walk on the runway together (numbered order) then line-up on the stage for group photos.
- After the group photos on the stage model number one will lead everyone again to the photoshoot area.
- All models will do individual and group shots as well as photos with the audience and guests.
- After the photoshoot models are welcome to hang with their friends, families and supporters whilst the result are added up.
- When you hear the MC say that they are ready to announce the results, all models will need to go to the backstage area. The winners will then be called to the stage.
